

S.K. Husain

COO

Khurshid has over 35 years of financial, management and entrepreneurial experience gained in a wide variety of commercial sectors.

He has worked in corporate and investment banking, power generation and healthcare. He held senior positions of responsibility including CEO of a listed power generation company (with market capitalization of \$1.2bn), CFO of a sovereign wealth fund (with assets of \$16bn) and COO of a commercial bank (with assets of \$250m).

He is experienced in raising finance, both equity and debt, from working with corporate finance professionals, interacting with international commercial banks (from whom he raised \$1.2bn) and multilateral lenders such as the World Bank (from whom he raised \$1.6bn). He has also personally invested extensively in financial services and healthcare businesses.

Khurshid is a Chartered Accountant (FCA). He holds a bachelor's degree in Law from the London School of Economics and a postgraduate diploma in Law from Manchester University.
